### Biographical Sketch or Administrative History

In 2013, Rachel Marino, a member of the Dominican Family, was asked by the Dominican Sisters of Houston to write biographies of each sister for the congregation's website. She agreed and completed the project in 2014. As a part of her research, each sister was asked to complete a survey with information on their life and ministry. These surveys, along with interview conducted by Rachel, were used to compose sisters' biographies for the website.
